

SUPPORTING THE GOVT of TANZANIA'S NATIONAL COVID-19 RESPONSE

March 27th 2020

The Karimjee Group through Karimjee Jivanjee Foundation, Toyota Tanzania and Sunbeam Auto have made a commitment to support the Government's response to COVID-19 in Tanzania.

In a pledge to the Prime Minister, Kassim Majaliwa, we have outlined a range of measures to support the Government's efforts in monitoring and controlling the virus.

- Karimjee Jivanjee Foundation donation of TZS 200 million Shillings towards the procurement of medical supplies and equipment required during this crisis.
- The Toyota Tanzania countywide automotive After Sales network will continue to prioritize service for all Government vehicles.
- Through Toyota Care[®], we have introduced a 24/7 Roadside Assistance service to ensure all Government vehicles are mobile.
- Sunbeam Auto have made available a fleet of 20 Bajaj three-wheeler vehicles, to assist in the distribution of Govt medical supplies.
- We have offered a Sterling 180 KVA generator to support a local hospital or recovery sites.

Publicity received through official and widely circulated acknowledgments and responses from the Prime Minister's Office and Ministry of Health, thanking the KJ Group, KJF and our brands for our support. Coverage has appeared in national newspapers; Daily News and The Citizen.
